

New Epiphany Revival

Featuring UU Musician Nick Page

Friday ~ January 6th ~ 7 to 8:30 PM

Share a delicious and joyous evening at a Pot Luck Dessert Buffet, followed by the DVD of a musical event from the UUA 2011 GA.

Nick calls the *New Epiphany* the good news of the unlimited magnificence of an inter-dependent, self-organized universe. He combines songs and sing-along, with philosophizing, humor and thoughtfulness. He revives our spirits, reminds us to live in wonder and love, and believes that our gifts of compassion are our natural response to a compassionate universe.

Come sing, laugh and enjoy an uplifting evening with friends!
