SHARE THE PLATE FOR NOVEMBER 2021

This month's Share the Plate is [Project FEED](#). Project FEED (Food Emergency Exchange Depot) is an emergency food pantry located in Portland, Maine in the basement of Woodfords Congregational UCC Church. Project FEED, a non-profit, was founded in 1975 by a group of clergy and lay-people concerned with the growing number of Portland residents who were without a reliable source of food in emergencies. We are supported by many individuals and organizations including churches and synagogues in the Greater Portland area and are staffed completely by volunteers.
