SHARE THE PLATE FOR JANUARY 2022

The Share the Plate for January is [Maine Healthcare Action Network](#). Maine people working together to bring universal healthcare to Maine. Our healthcare system is broken and has been for a long time-even before the pandemic. We are demanding that the Maine Legislature implement a publicly-funded, equitable healthcare system for all Maine residents. Help us as we collect signatures that will put a universal healthcare Resolve on the ballot, so the people of Maine will have their voices heard. Now is the time for us to have a healthcare system that brings everybody in and leaves nobody out.
